Thank you for the opportunity to quote on binders.

We have quoted on two types of film laminated binders. The difference is one has printing on the entire inside above the pockets (we call super-constructed binder) and the other only has printing on the pockets, (we call reinforced binder)

Specifications:

Type: Reinforced sides & super constructed binders

Ring Size: 1" round

Pockets: Two large pockets, they can be die cut to hold business card or CD/DVD, included in the cost.

Material: 20pt. C1S

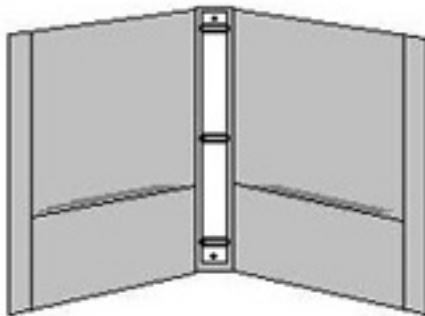

Colors: 4 color process

Lamination: Gloss

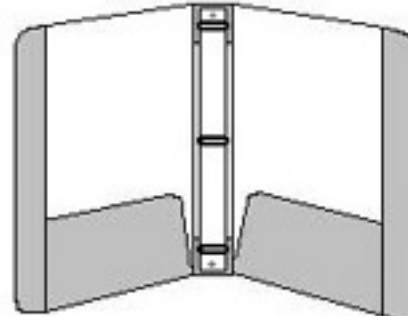

Cost:

Item	Colors	1000
Inside is entirely printed Super-constructed binder	4 color process	\$3.78/\$3800
Inside printed on pockets & reinforced sides only Reinforced binder	4-color process	\$2.01/\$2010

Shipping Costs: UPS Ground \$151.41 to zip code 20005
